### Grand Knight's Message

Dear Brother Knights and Families:

My heart is saddened for our Council...

...it seems that lately we have lost so many of our beloved brothers and family members. They are in our prayers and memories always. The need for new members is now even more of a concern, but how should we go about attracting and retaining new members? I've been talking to some of our senior members and listening to how much productive fun they used to have in the old days—tales of adventure and service, and what drives them to keep being Knights after all these years. It seems they have the "service gene!!" You know, it's always the same Knights and their family members

working on our projects—and we

thank you. But the Lord, over these recent years, has called some of our best, and our ranks are getting thin. The workload is taxing those of us who are still here. So

let's think about how to best address this. Bring your ideas, old and new, to the next meeting.

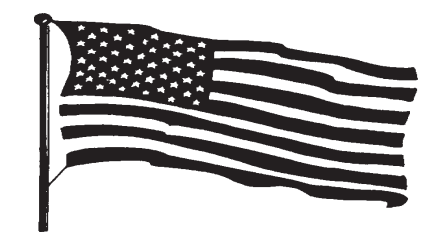

Yours in Christ,

Ernest Clement McCoy II  
Grand Knight

### A BEAUTIFUL PRAYER.

Your editor just received this beautiful prayer by email recently is being published for all to enjoy:

I asked God to take away my habit. God said, No. It is not for me to take away, but for you to give it up.

I asked God to make my handicapped child whole again. God said, No. His spirit is whole, his body is only temporary.

I asked God to grant my patience. God said, No. Patience is a by-product of tribulations, it is not granted.

I asked God to give me happiness. God said, No. I give you blessings.

I asked God to spare me pain. God said, No. Suffering drives your spirit from worldly cares and brings you closer to me.

I asked God to make my spirit grow. God said, No. You must grow on your own, but I will prune you to make you fruitful.

I asked God for all things that I might enjoy life. God said, No. I will give you life so that you may enjoy all things.

I asked God to help me LOVE others as much as HE loves me. God said, ...Ahhhh, finally you have the idea.

This day is yours, don't throw it away. GOD BLESS YOU! "To the world you might be one person, but to one person you just might be the world."
