Grand Knight's Message

Dear Brother Knights and families,

I wish you all a very Happy New Year in 2011. People have returned from the Christmas holiday, school has started again, and our council #971 is full of energy and activity. We are looking forward to continued fraternal fellowship and service to the Church and community.

I would like to take the opportunity this month to thank Andrew Lenz, Jr. (along with helper Peter Ehrman), who has done a wonderful job editing the monthly council bulletin and always shows great patience in soliciting articles. A tip o' the pen to you, Andrew! He is just one of the dedicated Knights who perform their duty for the council, and the council could not function without everyone's efforts in many areas. I hope to tell you more about other dedicated council members in the coming months.

If you have not quite found the time recently to make it to our meetings on

the 2nd and 4th Wednesdays of the month, please try to stop by. We have a very energetic bunch of new members in the council now, and we

would love to learn from you about your K of C experience and history. If you have reached out in the community and talked with a Catholic gentleman who may be interested in becoming a Knight, please contact Doug Gallagher, our membership chairman.

As always, I am sure that your prayers for our fellow Brother Knights and family members in poor health continue to be appreciated. May God bless you all.

Faternally yours,
Jason Nielsen
Grand Knight

Chaplain's Message

December and January

The year 2010 has ended with December and January of 2011 has commenced. December January. The end has become the beginning and later the beginning will again be the end. Such is the purpose of life. The beginning of our lives will or should become end. The two shall meet and become

one. In other words, the dusk of the day ushers in the dawn of the new day. Spiritually speaking the same can be said of our relationship with God. Scriptures expresses it with the phrase: justice and peace shall kiss. Pope Paul VI used similar words when he said: "If you want peace, work for justice". In the Book of Rev-

elation, Chapter One it says of God: "I am the Alpha and the Omega, the One who was, the One who is and the One who is to come, the Almighty". Our beginning and end meet and unite in Him. The common denominator is God. We come from God, we live our lives in God and then we return to God. He is our Alpha and our Omega. He is our beginning and our end.

The month of Decemter (dusk) has within itself the commencement of a new month of January (dawn). In the darkness and depths of December we have the beginning of dawn, the birth of Jesus Christ, the Light of the World. In January, this light receives the name Jesus on the First Day of January during the Feast of Circumcision. December flows into January. The night surely shall become as day. When the days of our lives are ended and the months and years are gone forever, the Decembers and Januaries will also disappear. We will live the Oneness of God forever who is Love. Then we will truly be one. No more beginnings or ends, just being.

Father James Catalano, OSJ
